

Vision to Reach 5,000 per year by 2025

In 2020, God gave a vision to MCWC to reach 5000 women per year by 2025. As we worked toward that vision, it became clear that we would need to take our services to underserved areas in the DFW area. As we prayed, we were led to the Northwest Corridor of DFW near Haslet/Justin where there is explosive growth in population but without a pregnancy medical clinic within 8 miles. In Fall 2022, we began serving this community with our fully customized Mobile Medical Unit. The next step in reaching this area is to build a second brick and mortar location where we can reach those facing unplanned pregnancy and empower them to choose life!

“Typically, an abortion-minded woman won’t travel more than 8 miles to a PRC for help.”
